NET WT 6.8 oz (193 g)

DIRECTIONS FOR USE

Country Vet Breathe Easy Menthol Eucalyptus Mist is an aromatic mist that provides soothing comfort for your horse. It contains a blend that includes menthol, eucalyptus and camphor. When used in the Country Vet Automatic Metered Dispenser, it provides continuous, around-the-clock comfort to your horse — automatically! Strength of vapor will vary depending upon size of use area and ventilation. Follow automatic dispenser mounting and installation instructions for proper placement and use. Refill lasts 30-Days operating every fifteen minutes, 24-hours a day in the Country Vet Automatic Dispenser.

Remove cap from can and place in metered aerosol dispenser with spray head beneath actuator, nozzle facing front. Factors such as air currents, temperature, humidity and conformation of treated area govern number of units required for effective control. One unit should normally treat 6,000 cubic feet of closed air space. Dispenser location should be at a height of 7 feet and directed compatibly to air currents in closed areas.

FITS MOST AEROSOL DISPENSERS.
